‘Spotlight On Learning’

16th – 27th November 2026

Over the next two weeks, children at Selhurst will be…

- **Practising self-care and independence skills**

Children will be supported to become more independent e.g. wiping their nose, pushing up sleeves, putting on their coat, putting their things on their peg or where they belong.

You can help by practising skills at home too.

- **Making and Creating**

Children will be focusing on core skills such as cutting, gluing and sticking, they will also be looking at different ways of using and joining materials

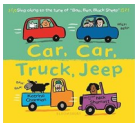

You can help by doing creative activities at home, you and your child could make a vehicle together

- **Engaging in role play**

Children will be encouraged to role play journeys and vehicles

You can help by talking to your child about journeys you have made and how they like to travel

Our core book is Car, Car, Truck, Jeep by Katrina Charman

Listen here: Car,Car,Truck, Jeep (Read Aloud With Darya)Children, pre-school,nursery,reception story,kids book

Please name you child’s coat, hat and scarf

Some parents have found it helpful to attach gloves and put them through coats using wool or ribbon (see pic)

Things we need at nursery…

Please bring in your round recycling objects e.g. lids, and bottle tops. Thank you!
